

TOMCAT™

KEEPING AHEAD OF THE CUTTING EDGE™

MODEL "TC" FOLDING WING PLOW

Efficiency in Plowing and Storage

Wausau Tomcat™ provides a 20' wide high-speed plowing swath, for fast, efficient snow removal. Its superior crafted retractable discharge wings are built to offer years of convenient compact storage capabilities.

Heavy-Duty 5" Hydraulic Cylinders. Discharge wings extend and retract from the comfort and safety of the operator's cab with no mechanical adjustments.

Deep Moldboard Curvature and High Discharge Ends. Concentrates snow into a high-velocity stream for maximum casting distance. Eliminates overspray for optimum operator vision.

24' Cutting edge at 0°.

8 Isomer Cushions. Protects equipment, reduces runway damage, while maintaining high plowing speeds.

Shot-peened steel moldboard and bracing. Perfect surface for optimum paint retention.

Full-welded frame members for maximum strength.

Available with or without caster wheels.

Steel or poly moldboard.
